

Angina - DVLA guide

Angina

	Group 1 car and motorcycle	Group 2 bus and lorry
Angina	<ul style="list-style-type: none">● Must not drive when symptoms occur:<ul style="list-style-type: none">■ at rest■ with emotion■ at the wheel. <p>Driving may resume after satisfactory symptom control. Need not notify the DVLA.</p>	<ul style="list-style-type: none">● Must not drive and must notify the DVLA when symptoms occur. <p>A licence will be refused or revoked if symptoms continue (treated or untreated).</p> <p>Driving may be relicensed (provided there is no other disqualifying condition) if:</p> <ul style="list-style-type: none">■ no angina for at least 6 weeks, and■ the requirements for exercise or other functional tests can be met (see Appendix C, page 111).

Dear Patient

Please note the above DVLA guidelines. If you wish me to help you with or carry out any tests regarding fitness to drive please instruct the DVLA to send any requests to Dr Grosser, Consultant Cardiologist, Queen Elizabeth the Queen Mother Hospital Margate, St Peters Road, CT94AN or contact my secretary Mrs Theresa Ling on Tel 01843 235120 for further assistance.

Best wishes.

Dr Konrad Grosser
